

## LAGAZUOI CABLE CAR

### Security regulations regarding COVID-19

We have implemented a series of procedures and measures aimed at safeguarding the health of our guests and employees in accordance with the guidelines of the Italian government and health authorities for the management of the risk of spreading COVID-19.

Please read carefully and comply with the information listed below:

- you are required to wear a face mask and gloves
- you are obliged to keep the distance from other people as specified on the signs

The cable car ride lasts only three minutes and will be carried out with open windows to allow a proper ventilation, as prescribed by the health authorities.
